Crazy... cool though. And ya that wouldn't surprise me either haha. Did you say you were going somewhere else, or just give your 30day notice? I assume the latter. So he probably thinks he can convince you to stay. Least we locked in Drew, Mike and Arty. Otherwise he would be really pissed if they decided to decline our offer and probably blame you haha. **Redacted**

Sent Gabriel an email at midnight on the dot and haven't yet heard back. Would not be surprised if he doesn't reply and doesn't say anything Monday AM and waits to see what I say/do.

Going to email Gabriel today or tomorrow. Want to get my 30 days started ASAP. I am not telling him where I am going via email, FYI.

Did we make a WIND bid?

haha ya, as if he was using the microwave himself... In other news, we hired my best friend Cody's, the hockey player who gave you a ride one time, sister as a temp receptionist... Karley is going to try being NG's admin...

Any update on your front? Dropping the bomb today or waiting until you are back?
