Well I don't want to know how much you make now but I know you'd be comfortable making half that. I know that giant bribe of yours is pretty valuable though!! Will you call me at the house later ??

No, but I can't settle for making 1/3rd or 1/2 of what I make now. I would take like a 20-30% cut.

But you want West Face the most. Would you do Mackenzie or Marriot Hotel though or is it not worth it? I just want you to be happy.

Does it sound like something you'd want to do or not really?

I don't know the pay yet, silly. You don't talk about that until they give you an offer. The hours would be easy, like 50-60 per week.

Of the job. And what it entails. And the hours? And would the pay be okay with you? And less travel? You could have lunch with Muffin! Or "Marlyz", as they call her there.

Think it went really well. If they like me there will be one more round with the head guy and that's it. I have to follow up with West Face Monday and see about Marret, too.
