Yes about 15-30 min as per Tom's email. I'll send you a calendar invite with our address.

See you on Monday.

That should work. I have a meeting back downtown which starts at 12:30 but it's my understanding that I would only be meeting with Greg for ~30 minutes so that shouldn't be an issue.

Look forward to it!

Hi Nikol,

Further to Tom's email below, I'd like to arrange a time to meet with Greg. When works in his calendar? In terms of next week, I may be travelling Tuesday-Thursday (but not yet confirmed), and I'm free today until 2pm and tomorrow after 11am. More than happy to be flexible.

Thanks,

Brandon

Brandon,

Could you arrange a time with Nikol to come in and have a brief chat with Greg – don't need more than 15 min with Greg, but maybe budget 30 min of your time.

Thanks
