Subject: Thanks

Hi Greg,

Thanks again for taking the time to meet today; I really appreciate it. The type of work and environment at West Face sound exactly like what I'm looking for - I've left every meeting with that impression and want to reiterate it. Hope there is a place for me on the team.

I look forward to hearing back, and don't hesitate to let me know if you have any questions in the meanwhile.

Best regards,

Brandon
