Hi Alex,

I provided my notice to Catalyst. We had discussions this morning and I was told: 1) to work from home for the 30-day notice period; 2) that West Face is being viewed as a competitor for the purposes of the non-compete in my employment agreement; 3) Catalyst's external counsel will be sending a letter to myself and West Face.

Redacted

I am free to discuss and can also put you in touch with my counsel if necessary.

Best regards,
Brandon
