Agreed. Reach out to Carlos anyway and have him come by. Ask about comp bracket. Tell him we might need someone in a few months but not right now.

Chu seemed impressive but top marks for violin in BC was a bit disappointing. I mean, just BC?

Seriously, he seemed a bit more senior than the immediate need. I think if we go with someone more senior I want him to be able to do business development.

I think the immediate need is to have someone mostly dedicated to grinding out possible debt deals. Anyone else?

Guys,

Can we close the loop on this?

Could you circulate your comments? Alternatively we could discuss this and other staffing needs when we meet next.
