I think it might make the most sense for us to pick up the conversation with the
Tennenbaum group and discuss the possibility of joining that syndicate. We're not going
to be able to better them on value and I think theirs is the only real proposal in front of the
company outside of ours – Catalyst seems to be a lot of air.

What is your change of control payment under a catalyst or tennenbaum deal – ie. What do we have to work with in our bid. Is it a fixed number of you have a negotiated deal ?
