All, I've cc'd Tony Griffin from Westface on this email. Can we please forward him the following:

1. Technical presentations (Adam)
2. The last turn of the SPA from Vimpelcom including there mark ups (and we can include McMillan's comments) (Sean or Robert)
3. Updated model once we've gone through our last updates (Adam)

Also can we send them the dial in for our Thurs call once that is set.

thanks Michael

Tony, can you send over your tax analysis that suggests we might be able to monetize tax assets prior to our ultimate sale. I think this was mentioned on a call I had w Jonathan last night

Thanks, Michael
